Grants:

June 2002 \$30,000 The Ethel Brown Foerderer Fund for excellence, for "Congenital scoliosis genetic etiology at The Children's Hospital of Philadelphia", Kenro Kusumi Ph.D. (PI) and John P. Dormans, co- investigator

July 2002 The Children's Hospital of Philadelphia Women's Committee Grant to hire a research coordinator for the Cerebral Palsy Program. \$30,000.

- September 2001 Cervical Spine Research Society grant for sponsored research: "Genetic analysis of cervical vertebral malformations in Klippel-Feil syndrome". \$30,000. JP Dormans, Co-Investigator.
Dormans J and Kusumi K: Acceptance of 2001 Research Grant Award, Cervical Spine Research Society Annual Meeting Monterey, California, November 30, 2001.
- June 2001 NIH short-term training grant with Michael Glotzbecker (Penn Medical Student) for Sponsored research: "Etiology of Langerhan's Cell Histiocytosis in Children. \$2500 to Michael Glotzbecker.
- June 2001 The Children's Hospital of Philadelphia Women's Committee Grant to create a database for the Cerebral Palsy Program. \$25,000.
- August 2000 Voxel Medical Systems Scientific and Technical Advisory Board.
- October 1998 Grant to improve pediatric halo pin design from Acromed Corporation. \$5,000.
- April 1997 Grant to improve pediatric halo pin design from Acromed Corporation. \$10,000.
- June 1996 \$25,000 The Ethel Brown Foerderer Fund for excellence, for "Benign tumor program at The Children's Hospital of Philadelphia", John P. Dormans, co- investigator
- April 1996 Grant to improve pediatric halo pin design from Acromed Corporation. \$5,000.
- August 1995 Grant to develop pediatric halo system from PMT corporation \$16,000.
- April 1995 \$26,520 The Ethel Brown Foerderer Fund for excellence, for "Children's Amputee program at The Children's Hospital of Philadelphia", John P. Dormans, principle investigator, and Kim Mason R.N.
- October 1993 to September 30, 1994
ME-93139 Pennsylvania Department of Health, Children's Seashore House, Cerebral Palsy Program; Grant as a part of the Cerebral Palsy clinic team at Children's Seashore House.
- Sept. 1992 Sofia, Bulgaria- Development of Pediatric Trauma Program The N.I. Pirogov Institute, Sofia, Bulgaria
Made possible by a grant from the United States Agency for International Development
- October 1991 to March 30, 1993
ME-88143 Pennsylvania Department of Health, Children's

Seashore House, Cerebral Palsy Program; Grant as a part of the Cerebral Palsy clinic team at Children's Seashore House.

- October 1991 Sofia, Bulgaria- Evaluation of Pediatric Trauma in Bulgaria Children's Hospital of Philadelphia Delegation
Made possible by a grant from the United States Agency for International Development.
- July 1989 \$5,000 from the Department of Orthopaedic Surgery, Hospital for Sick Children, Toronto, Ontario Canada and Orthopaedics Overseas to visit Addis Ababa, Ethiopia for - Orthopaedics Overseas, Black Lion Hospital, Addis Ababa, Ethiopia, made possible by a grant.
- Smith-Whitley K, Ohene-Frompong K and Dormans JP:
Participation in multicenter project "Decompression coring vs. conservative therapy for avascular necrosis of the hip in sickle cell disease" (Elliott Vichinsky MD, PI) through The Comprehensive Sickle Cell Center at The Children's Hospital of Philadelphia.
- Miami J Project "Functional and Clinical validation of three new pediatric cervical collars.

Overseas Experience:

- Nov/Dec 2003 American Academy of Orthopaedic Surgeons and OO Representative to Association of Surgeons of East Central and South Africa (ASEA) and The East Central & Southern African Orthopaedic Association (ECSAOA) and (with James Waddell) . November and December , 2003. Kampala Uganda.
- March 2004 Faculty, The American Academy of Orthopaedic Surgeons/Egyptian Orthopaedic Association Instructional Course Lecture Program, Cairo Egypt, March 27-31, 2003.
- June 2000 Visiting Professor, Istanbul Turkey. Guest of the Turkish Pediatric Orthopaedic Society, Marmara University Department of Orthopaedic Surgery and the Turkish Foundation for Spastic Children.
- Also Pediatric Spinal Deformity Meeting, Halki Palace Hotel, Heybeliada Island, Turkey, June 23, 2000
- January 1999 Faculty, 1999 (January 10-16) Salzburg Philadelphia General Pediatric Review Seminar, The American Austrian Foundation, Salzburg Austria
- April 1996 The American Academy of Orthopaedic Surgeons Kashiwagi

Suzuki Traveling Fellow for 1996. Traveled to several orthopaedic centers in Japan from April 8 to May 1, 1996 and attended the meeting of The Japanese Orthopaedic Association in Tokyo.

November 1992 Indonesia-Orthopaedics Overseas
 Program Director, Indonesian Program
 Visiting Professor-University of Airlangga, Surabaya, Indonesia,
 Visiting Professor-Hasanuddin University, Ujung Pandung,
 Indonesia
 Western Pacific Orthopaedic Association Meeting

September 1992 Sofia, Bulgaria- Development of Pediatric Trauma Program
 The N.I. Pirogov Institute, Sofia, Bulgaria

Made possible by a grant from the United States Agency
 for International Development

October 1991 Sofia, Bulgaria- Evaluation of Pediatric Trauma in Bulgaria
 Children's Hospital of Philadelphia Delegation

Made possible by a grant from the United States Agency
 for International Development

July 1989 Addis Ababa, Ethiopia- Orthopaedics Overseas,
 Black Lion Hospital, Addis Ababa, Ethiopia

Made possible by a grant from the Hospital for Sick Children,
 Toronto, Ontario Canada and Orthopaedics Overseas

Outside Activities:

Member, St. Paul's Lutheran Church, Ardmore, Pennsylvania

- 1993-1994 Committee on Global Missions
- 1995-96 Chairman, Committee on Global Missions
- 1996-97 Member Church Council
- 1996-97 Chairman, Cemetery committee

I Men's Association

(Indiana University Athletic Association for "letter winners" in undergraduate
 NCAA Division 1 sports teams – Track and Field)

Head coach, Rosemont Villanova Basketball League 1992, 1993, 1994, 1995, 1996, 1997
 and 1998.

Head coach, Narberth T-shirt Baseball League, 1993, 1994, 1995

Gene Stratton Porter Memorial Society, Lifetime member, 1995- present

Gladwyne Art Fair Artist's Choice Award (with Kathryn Ann Dormans), 2003

Course Organization:

American Academy of Orthopaedic Surgeons and Orthopaedics Overseas Instructional Course at The Association of Surgeons of East Central and South Africa (ASEA) and The East Central & Southern African Orthopaedic Association (ECSAOA) (with James Waddell). November and December , 2003. Kampala Uganda. Nov/Dec 2003

Local Host and Organizer (Philadelphia) : 2003 Pediatric Orthopaedic Society of North America 1-Day Tutorial on Musculoskeletal Tomrs in Children, Philadelphia, June 20, 2003.

Co-Chair, 2003 Surgical Skills CME Course, Pediatric Orthopaedics, October 2003, Surgical Skills Center, AAOS, Rosemont, Ill.

Local Host (Philadelphia) : 2002 Scoliosis Research Society – DePuy AcroMed Traveling Fellows visit to Philadelphia, August 28-29, 2002. Grand Rounds at The University of Pennsylvania, Academic Program and Live Surgical Demonstrations at the Children’s Hospital of Philadelphia. September 29, 2002.

Local Host (Philadelphia) : 2002 Belgian Orthopaedic Traveling Fellows visit to Philadelphia, June 5-8, 2002.

Course Chairman: Scoliosis Research Society 1 Day Course: “The fundamentals of spinal deformity: An introduction to the SRS core curriculum” A Scoliosis Research Society CME course held prior to the 36th annual meeting of the Scoliosis Research Society. September 19 2001, Annual Meeting, Cleveland, Ohio.

Co-Chair, 2002 Surgical Skills CME Course, Pediatric Orthopaedics, October 4-6, 2002, Surgical Skills Center, AAOS, Rosemont, Ill.

The Musculoskeletal Research Lectureship at The Children’s Hospital of Philadelphia 2001- present

Fred Kaplan MD 1-29-02 (Inaugural lecture)

Lou Soslowski PhD

Third

4th Nancy Hadley Miller, Johns Hopkins

"The etiology of idiopathic scoliosis" July 29, 2003

The Jesse T. Nicholson Visiting Professorship at The Children’s Hospital of Philadelphia and the University of Pennsylvania. 1997- Present

Vern Tolo MD 1997

Steven Treadwell MD 1998

Professor Katsuru Tomita 1998

Dean MacEwan MD 1999

Paul Sponseller MD 1999

Robert Campbell MD 2000

Perry Schoenecker MD, 2001

Alvin Crawford MD, 2002
 James Beaty MD, 2003
 Baxter Willis MD, 2004

Other Visiting Professorship at The Children's Hospital of Philadelphia 1996 - present
 Robert Hill, Great Ormond Street, London, July 2003
 Richard Brand, Editor CORR, Monday June 30, 2003
 Steve Frick, Charlotte North Carolina, October 24-28, 2003 (Part of AAOS LFP Program Exchange)
 Chacka Pandey, Katmandu, Nepal, August 2002
 Hariton Novkov MD Sofia Bulgaria, 2000, (2nd visit)
 Harish Hosalkar, India, 2000, (1st visit, 2nd Basic Science Research Fellow 2003)
 Ed Naddumba MD, Kampala Uganda, 1998
 Hariton Novkov MD Sofia Bulgaria, 1996 (1st visit)
 Selim Yalcin, Marmara University, Istanbul, Turkey, 1996

Host, International Affairs Luncheon (Speaker, Hugh Watts) American Academy of Cerebral Palsy and Developmental Medicine, 1998

Japanese Orthopaedic Association - American Orthopaedic Association Traveling Fellow (Dr. Tsuchiya) Visit to The Children's Hospital of Philadelphia May 18-20, 1998.

Host, International Affairs Luncheon (Speakers, Michaud et al) American Academy of Cerebral Palsy and Developmental Medicine, 1997

Co-chairman, Program Committee, Association of Children's Prosthetic and Orthotic Clinics, 1995-96

Local Host, American Academy of Cerebral Palsy and Developmental Medicine, Philadelphia Pa., 1995

Co-chairman, Program Committee, Association of Children's Prosthetic and Orthotic Clinics, 1994-95

Health Volunteers Overseas Orientation Workshop, Orthopaedic section, Organized and given for health volunteers, Health Volunteers Overseas Orientation Workshop, Tucson, Arizona, March, 1995.

Pediatric Orthopaedic Subspecialty Day, Organized and Presented to visiting surgeons from N.I. Pirogov Institute, Sofia, Bulgaria, Presented at The Children's Hospital of Philadelphia, February 4, 1992.

Pediatric Trauma Course, Organized and presented to physicians and surgeons at the N.I. Pirogov Institute, Sofia Bulgaria, September 1992

Major Teaching and Clinical Responsibilities for the University of Pennsylvania:

1. Supervision and Instruction of 25-30 Orthopaedic Surgery residents per year during rotation at The Children's Hospital of Philadelphia.
-In surgery
-Attending rounds and supervision of inpatient care
2. Supervision and Instruction of 1 Orthopaedic Surgery Clinical Fellow per year (with other orthopaedic surgery staff).
3. Director and supervision of research fellow
4. Lecture to orthopaedic surgery residents at The Children's Hospital of Philadelphia. Every Thursday morning one hour
5. Co-director of The Pediatric Orthopaedic Surgery Fellowship at The Children's Hospital of Philadelphia 1996-present

Clinical Fellows at the Children's Hospital of Philadelphia (including current positions):

2003-04	Michelle Sugiyama Caird (start 08-03) (current clinical fellow) Roger Cornwall (start 09-03) (current clinical fellow) Note: 2003 is the first year of having 2 Clinical Fellow in Orthopaedic Surgery at CHOP.
2002-03	Benjamin Roye, MD
2001-02	Junichi Tamai MD (Academic Practice, University of Cincinnati, Cincinnati Children's Hospital, Cincinnati Ohio)
2000-01	Kristan Pierz MD (Academic Practice, University of Connecticut, Children's Hospital Hospital, Harford Connecticut)
1999-00	Lael Luedtke MD (Academic Practice, Gillette Children's Hospital, Minneapolis, Minnesota)
1998-99	David Wallach MD (Academic Practice, Penn State University, Hershey, Pennsylvania)
1997-98	David Spiegel MD (Academic Practice, Shriner's Hospital for Children, Minneapolis, Minnesota)
1996-97	Ted Ganley MD (Academic Practice, CHOP, University of Pennsylvania)
1995-96	Inez Keleher MD (United States Military)
1994-95	Wesley Carrion MD (Academic Practice, State University of New York, Stony Brook)
1993-94	Mark Sinclair MD (Academic Practice, Nemours Foundations, Orlando, Florida)
1992-93	Bill Bronson MD (Private Practice, Spokane, Washington)

Pediatric Orthopaedic Research Fellowship at The Stokes Research Institute at the Children's Hospital of Philadelphia (including current positions; started 1996):

2003-04	Alyssa Schaeffer MD, (Current Fellow).
2002-03	Harish Hosalkar MD, Bombay India and London England.
2001-02	Bulent Erol, Academic Practice, Istanbul Turkey

2000-01 Hanna Bassam, MD, Surgical Resident, NYC. (From Cairo, Egypt)
 1997-99 Naohiro Asada MD, Academic Practice, Kanazawa Japan
 1996-97 David Speigel MD, Academic Practice, Shriner's Hospital for Children,
 Minneapolis, Minnesota

**International Visiting Scholar Program at the Children's Hospital of Philadelphia
 (> 1 month rotation):**

Dr. Alex Arkader, Rio de Janeiro, Brasil, January 2004
 Dr Frank Launay, Marseille, France, 2003 (also JHU Ortho)
 Dr. Nicholas Lutz, Lausanne Switzerland, 2003
 Vo Quang Dihn Nam MD, Ho Chi Minh City, Viet Nam 2002-03
 Harun Gungor MD, Istanbul, Turkey, 2002
 Chacka Pandya, Katmandu, Nepal, August 2002
 Ondar Ogluoph, Istanbul, Turkey, June - September, 2002
 Akin Uzumcugil MD, Hacettepe University, Istanbul, Turkey, 2001
 Bora Gokson, Istanbul, Turkey February 6 - March 18, 2001
 Trong Anh Nguyen, Ho Chi Minh City, Viet Nam, 2000
 Bulent Erol, Istanbul, 2000, (1st visit, 2nd Basic Science Research Fellow 2001-02)
 Hasan Bombaci MD, Istanbul Turkey, 2000
 Hariton Novkov MD Sofia Bulgaria, 2000, (2nd visit)
 Harish Hosalkar, India, 2000, (1st visit, 2nd Basic Science Research Fellow 2003)
 Chi-Chang Lin MD, PhD, National Taiwan University, 1999
 Ed Naddumba MD, Kampala Uganda, 1998
 Steven Muwazi MD, Kampala Uganda, 1998
 Utku Kandameer, Istanbul, Turkey, 1998 (2nd visit)
 Hariton Novkov MD Sofia Bulgaria, 1996 (1st visit)
 Sami Tanaka, Tokuda, Japan, 1996
 Elina Zuidervaart MD, - Netherlands, 1996
 Esther Daamen MD, - Netherlands, 1996
 Selim Yalcin, Marmara University, Istanbul, Turkey, 1996
 Utku Kandameer, Istanbul, Turkey, 1994 (1st visit)
 Annette Lorani MD, Germany
 Marianne Gorter MD, - Netherlands, 1993

Miscellaneous teaching and mentoring activities at The Children's Hospital of Philadelphia:

2003 Advisor/Mentor for Matt Mahlberg, NIH-funded Short Term Training Grant, 2 month fellowship, July 2003 through August 2003, Matt Mahlberg is a Medical Student at The University of Pennsylvania.

2003 Advisor for Brian Wills MD, Doris Duke-funded 1 year Training Grant, 12 month fellowship, July 2002 through June 2003, Brian Wills Medical Student at the University of Pennsylvania School of Medicine.

2002 Mentor, AAOS Committee on Diversity Mentoring Program. Advisor for Sumeet Garg MD, Medical Student at The Harvard Medical School, Boston Massachusetts.

2002 Advisor for Sumeet Garg MD, Doris Duke-funded 1 year Training Grant, 12 month fellowship, July 2002 through June 2003, Sumeet Garg was a Medical Student at The Harvard Medical School, Boston Massachusetts.

Advisor/Mentor for Mike Glotzbecker, NIH-funded Short Term Training Grant, 2 month fellowship, July 2001 through August 2001, Mike Glotzbecker is a Medical Student at The University of Pennsylvania.

Co-advisor for Paul Ivancic, Independent research project, Sept 1996 through 1997, MSE candidate in bioengineering at The University of Pennsylvania.

Visiting Professor Experiences:

Visiting Professor, University of Utah and New Salt Lake City Shrine Hospital for Children, 2004.

Visiting Professor, Drexel University Orthopaedic Surgery Grand Rounds (Hahnman and MCP Hospitals), Philadelphia, Pa., February 25, 2004.

Makerre University and Mulago Hospital, Kampala Uganda as part of American Academy of Orthopaedic Surgeons and Orthopaedics Overseas visit to The Association of Surgeons of East Central and South Africa (ASEA) and The East Central & Southern African Orthopaedic Association (ECSAOA) (with James Waddell). November and December , 2003. Kampala Uganda.

Visiting Professor, Carolinas Medical Center Visiting Professorship, Charlotte North Carolina, July 28, 2003.

Visiting Professor, John Roberts Visiting Professorship, New Orleans Children's Hospital and Louisiana State University, May 2003.

Visiting Professor, Banta Day, Connecticut Children's Hospital, April 28-29, 2003.

Dormans JP: 27th Annual John C. Wilson Sr. Visiting Professor Conference, Visiting Professor, Los Angeles Children's Hospital, March 13, 2003.

Dormans JP: 2nd Annual Combined Pediatric Orthopaedic Visiting Professor Program. Combined visiting professorship for Shriners Hospital, Orthopaedic Hospital, Los Angeles and Los Angeles Children's Hospital, March 14, 2003.

Visiting Professor, Columbus Children's Hospital and Ohio State University Department of Orthopaedic Surgery. Grand Rounds. Lacey Visiting Professorship. October 17-18, 2002.

Michigan State University Combined - Grand Rapids Orthopaedic Surgery Residency Training Program Visiting Professor. May 16, 2002.

Combined Michigan and Indiana Community Residencies (Grand Rapids, Kalamazoo, Flint, Fort Wayne, Detroit Osteopathic, Mount Clements Osteopathic) Basic science Teleconference. From Grand Rapids Orthopaedic Surgery Residency Training Program campus. Presenter, May 17, 2002. Growth plate injuries in children.

2001 Howard H. Steel Pediatric Orthopaedic Seminar, Jointly sponsored by The Shriner's Hospital for Children and Temple University School of Medicine, Panelists: Alvin H. Crawford, Dean MacEwan and John P. Dormans, December 8, 2001

Istanbul Turkey, Marmara University Faculty, June 2000.

Visiting Professor, University of Pittsburgh Medical Center for the Department of Orthopaedic Surgery Grand Rounds. May 2000.

Visiting Professor, Kanazawa University Department of Orthopaedic Surgery, Kanazawa Japan, October 1999.

Visiting Professor, Annual Pediatric Orthopaedic Symposium, A.I. DuPont Children's Hospital, October 1 and 2, 1999.

Visiting Professor, Annual Pediatric Orthopaedic Symposium, The Campbell Clinic and The University of Tennessee, April 23 and 24, 1999.

Visiting Professor, Georgetown University Medical Center, Department of Orthopaedic Surgery, March 2, 1999.

Visiting Professor, Children's Hospital of Calgary and The University of Calgary, October 1998.

Visiting Professor, Children's Hospital of Cincinnati and The University of Cincinnati, June 4-6, 1998.

Visiting Professor, Temple University Orthopaedic Surgery Grand Rounds, Philadelphia, Pa., January 11, 1997.

Visiting Professor, Hiroshima University School of Medicine Department of Orthopaedic Surgery (Professor Ikuta), Hiroshima Japan, April 15, 1996.

Visiting Professor, Kobe University Medical School, Department of Orthopaedic Surgery, Kobe Japan (Professor Mizuno).

Visiting Professor, Osaka University Medical School. Osaka Japan, (Professor Ochi).

Visiting Professor, Kyoto Prefectural University Department of Orthopaedic Surgery (Professor Hirasawa) April 19, 1996.

Visiting Professor, Kyoto University Department of Orthopaedic Surgery (Professor Nakamura), April 19, 1996, Kyoto Japan.

Visiting professor, Nara Medical University (Professor Tamai), Nara Japan, April 20, 1996.

Visiting Professor, Hokkaido University School of Medicine, Department of Orthopaedic Surgery (Professor Kaneda), Sapporo Japan, April 23, 1996.

Visiting Professor, Sapporo Medical University, Department of Orthopaedic Surgery (Professor Ishii), Sapporo Japan, April 23, 1996.

Visiting Professor, Juntendo University School of Medicine, Department of Orthopaedic Surgery (Professor Yamauchi), Tokyo Japan, April 27, 1996.

Visiting Professor, Hahnman University Orthopaedic Surgery Residency Training Program, March 18, 1995.

Visiting Professor, Department of Orthopaedic Surgery, Monmouth Medical Center, Long Branch, New Jersey. December 14, 1993.

Visiting Professor-Department of Orthopaedic Surgery University of Airlangga, Surabaya, Indonesia, November, 1992.

Visiting Professor-Department of Orthopaedic Surgery Hasanuddin University Ujung Pandung, Indonesia, November 1992.

Dormans JP: Congenital Pseudoarthrosis of the Tibia. Visiting Lecturer, San Diego Children's Hospital, November 30, 1990.

Selected Lectures:

1. Dormans JP, Mead DR, and Hawes D: Radionuclide and Contrast Arthrographic Diagnosis of Total Hip Component Loosening. The GRAMEC Research Day, Grand Rapids Michigan, April 9, 1987.
2. Dormans JP: Acute Neurovascular Complications Associated With Supracondylar Fractures in Children. The 1988 GRAMEC Research Day, Grand Rapids, Michigan May 10, 1988.
3. Dormans JP: Pelvic Fractures in Children. General Surgery Grand Rounds, The Hospital for Sick Children, Toronto, September 13, 1988.
4. Dormans JP: Pediatric Orthopaedics. MSK Lecture, University of Toronto Medical School, January 4, 1989 and February 8, 1989.

5. Dormans JP, Wright J, and Rang M: Congenital Pseudarthrosis of the Tibia: A Rabbit Model. The Clinical Research Society of Toronto, Annual Meeting, April 9, 1989.
6. Dormans JP: Clubfoot and Congenital Hip Dislocation. Orthopaedic Staff and Residency, The Black Lion Hospital, Addis Ababa, Ethiopia, July, 1989.

296. Dormans JP: International Pediatric Orthopaedic Symposium, August 29 – September 2, 2001. Orlando, Florida.

- Advanced "Master" session: CT guided tumor surgery, New Technologies.
 Lecture: "Congenital scoliosis"
 Lecture: "Tumors: update 2001"
 Presider: New Technologies Imaging and Robotics
 Workshop: Posterior spinal instrumentation, Demonstration workshop.
297. Dormans JP: Report of AAOS International Committee activities to the Orthopaedics Overseas Board of Directors, Rosemont, Illinois, September 8, 2001.
298. Dormans JP: An introduction to the SRS core curriculum " Scoliosis Research Society 1 Day Course: "The fundamentals of spinal deformity", Dormans JP, Course Chairman. A Scoliosis Research Society CME course held prior to the 36th annual meeting of the Scoliosis Research Society. September 19 2001, Cleveland, Ohio.
299. Dormans JP: Presider, "Congenital scoliosis, section IV, at the Scoliosis Research Society 1 Day Course: "The fundamentals of spinal deformity", Dormans JP, Course Chairman. September 19 2001, Cleveland, Ohio.
300. Dormans JP: "Congenital scoliosis: Natural history and non-operative treatment", presented for Michael McMaster at the Scoliosis Research Society 1 Day Course: "The fundamentals of spinal deformity", Dormans JP, Course Chairman. September 19 2001, Cleveland, Ohio.
301. Erkula G, Sponseller P and Dormans JP: "Surgery for spinal deformity in Marfan syndrome", presented at the 36th annual meeting of the Scoliosis Research Society, Friday September 21 2001, Cleveland, Ohio.
302. Dormans JP, Hanna BG, McCarron JA, Erol B, Parekh SG, Meyer J: Magnetic resonance imaging is an effective tool in evaluation of vascular anomalies. Accepted for podium presentation. The Pediatric Orthopaedic Society of North America, Salt Lake City, Utah, 2002.
303. Pediatric Orthopaedics: Current Perspectives and Techniques, October 5- 7, 2001, Washington D.C.
 "DDH after walking age"
 "Musculoskeletal tumors"
 "Femoral shaft fractures"
 "Ankle fractures in children"
304. Cain E, Verma N, Menkowitz M, Flynn J and Dormans JP: The validity of adult scoring systems for mangled extremities when applied to the pediatric trauma population. The Eastern Orthopaedic Association. Bermuda 10-13-01.
305. Flynn J, Lim C, Frank J and Dormans J: Cost-effectiveness of MRI in the evaluation of pediatric cervical spine injuries. The American Academy of Pediatrics, San Francisco, California, October 20, 2001.

306. Dormans JP: Opening ceremony address. Grand opening and ribbon cutting ceremony. The Musculoskeletal Center at The Children's Hospital of Philadelphia, November 30, 2001.
307. Presentation of awarded Cervical Spine Research Society grant for sponsored research: "Genetic analysis of cervical vertebral malformations in Klippel-Feil syndrome". \$30,000. Awarded at The awarded Cervical Spine Research Society Annual Meeting Monterey, California, December 2001.
308. Dormans J, Flynn J, Lim C and Frank J: Cost-effectiveness of MRI in the evaluation of pediatric cervical spine injuries. Podium Presentation, Cervical Spine Research Society Annual Meeting Monterey, California, November 30, 2001.
309. Dormans J, Kusumi K: Acceptance of 2001 Research Grant Award, \$30,000. "Genetic analysis of cervical vertebral malformations in Klippel-Feil syndrome", Cervical Spine Research Society Annual Meeting Monterey, California, November 30, 2001.
310. 2001 Howard H. Steel Pediatric Orthopaedic Seminar. Jointly sponsored by The Shriner's Hospital and Temple University Children's Hospital, Philadelphia, Pennsylvania, December 8, Panelists: Alvin H. Crawford, Dean MacEwan and John P. Dormans, December 8, 2001
311. Dormans JP, et al: Instructional Course Lecture: Evaluation and Management of Pediatric Spine Trauma. Pediatric Cervical spine injuries ICL 145. The American Academy of Orthopaedic Surgeons, 69th Annual Meeting, Dallas Texas, February 13, 2002.
312. Copley L, Dormans JP, et al: The accuracy and reliability of halo wrenches at low torque settings used for pediatric application. Podium presentation (number 224), The American Academy of Orthopaedic Surgeons, 69th Annual Meeting, Dallas Texas, February 14, 1:36 PM, 2002.
313. Dormans JP: Acceptance speech for The Orthopedics Overseas Leadership Award for 2002, "In grateful recognition of leadership and vision which strengthened Orthopaedics Overseas' capacity to accomplish its mission". Orthopaedics Overseas Luncheon, Annual Meeting of The American Academy of Orthopaedic Surgeons, Dallas Texas, February 15, 2002.
314. Dormans JP: 23rd Annual orthopaedic seminar (Heppenstall course), Snowmass Colorado, March 10-13, 2002.
"Treatment of femoral fractures in the young"
"Management of hip fractures in the Pediatric group"
"What's new in pediatric fractures?"
"Spine injury in children"
Moderator: Tibia fractures and nonunion

315. Dormans JP, Erol B, Tamai J, Mahboubi S: Thomas Jefferson Orthopaedics Radiology Pathology Conference, April 3, 2002
316. Dormans JP: Orthopaedic Surgery at The Children's Hospital of Philadelphia: Past and future directions. Presented at the 1st Pediatric Orthopaedic Fellows Reunion, The Inn at Penn, Philadelphia, April 6, 2002.
317. Dormans JP: Orthopaedic Surgery and the Cerebral Palsy Program at The Children's Hospital of Philadelphia. Presented to The Children's Hospital Women's Committee, The Merion Cricket Club, Merion, April 6, 2002.
318. Dormans JP: Musculoskeletal tumors: Detection, limb sparing surgery and the directions of future research. Featured speaker, 2002 Daisy Day Luncheon and fashion show, (550 guests), Park Hyatt at the Bellevue, Philadelphia. The Auxiliary of The Children's Hospital of Philadelphia, April 11, 2002.
319. Dormans JP: The Musculoskeletal Program at The Children's Hospital of Philadelphia: Past and future directions. Presented to The Friends of The Children's Seashore House Annual Black Tie Dinner Fundraiser, The Philadelphia College of Physicians, Philadelphia, April 13, 2002.
320. Parekh S, Dormans JP, et al "Magnetic resonance imaging is an effective tool in evaluation of vascular anomalies". Podium presentation by Dr. Parekh (University of Pennsylvania Orthopaedic Surgery Resident) at the 35th Annual Resident's Conference, Memphis Ten., April 12-14, 2002.
321. Dormans JP, Erol B, et al "The treatment of pathologic fractures of the proximal femur in children: A new classification with corresponding treatment implications". Podium presentation at the European Pediatric Orthopaedic Society, Istanbul Turkey, April 17-20, 2002.
322. Dormans JP, Erol B, et al "Langerhans cell histiocytosis, A primary viral infection of bone: Human Herpes virus 6 (HHV 6) Latent protein in the lymphocytes of pediatric Langerhan's cell histiocytosis". Podium presentation at the Pediatric Orthopaedic Society of North America, Salt Lake City Utah, May 3, 2002.
323. Dormans JP, et al "Magnetic resonance imaging is an effective tool in evaluation of vascular anomalies". Podium presentation at the Pediatric Orthopaedic Society of North America, Salt Lake City Utah, May 3, 2002.
324. Dormans JP, Erol B, et al "Cost-effectiveness of MRI in the evaluation of pediatric cervical spine injuries". Podium presentation at the Pediatric Orthopaedic Society of North America, Salt Lake City Utah, May 5, 2002.
325. Frick S and Dormans JP: Discussion leaders (Frick S - mentee and Dormans JP - mentor), *The Contrarian's Guide to Leadership* (Steven Sample author). The American Academy of Orthopaedic Surgeons Leadership Fellows Program Teleconference. May 14, 2001.

326. Dormans JP: Musculoskeletal tumors and tumor-like conditions in children. Michigan State University Combined - Grand Rapids Orthopaedic Surgery Residency Training Program Visiting Professor. May 16, 2002.
327. Dormans JP: Growth plate injuries in children. Michigan State University Basic science Video teleconference (Broadcast live to orthopaedic residencies in Kalamazoo, Flint, Fort Wayne, Detroit Osteopathic, Mount Clements Osteopathic). From Michigan State University Grand Rapids Orthopaedic Surgery Residency Training Program campus. Presenter, May 17, 2002: Growth plate injuries; Basic science update.
328. Dormans JP: Orthopaedics 2002 Core Curriculum. First year medical student teaching at The University of Pennsylvania School of Medicine. Problem sets: Compartment syndrome, The limping child and Anatomy of gait. Tuesday May 28, 2002, Stamler Hall.
329. Dormans JP, Erol B, Tamai J, Vari G and Lou J. "The treatment of pathologic fractures of the proximal femur in children: A new classification with corresponding treatment implications". Podium presentation at the American Orthopaedic Association and the Canadian Orthopaedic Association Combined Meetings, Victoria, British Columbia, June 4, 2002.
330. Dormans JP, Glotzbecker M and Carpentieri D. "Langerhans cell histiocytosis". Podium presentation at the American Orthopaedic Association and the Canadian Orthopaedic Association Combined Meetings, Victoria, British Columbia, June 4, 2002.
331. Dormans JP: Pediatric cervical spine: Research progress from The Children's Hospital of Philadelphia, 2002 Belgian Orthopaedic Traveling Fellows visit to The Children's Hospital of Philadelphia, Local Host (Philadelphia), June 7, 2002.
332. Dormans JP and Browner B: Planning meeting between East Central & Southern African Orthopaedic Association (ECSAOA) and The American Academy of Orthopaedic Surgeons. September 3, 2002 Bloemfontein, South Africa.
333. Dormans JP: "Spine disorders: The essentials for pediatricians". As part of The Children's Hospital of Philadelphia Pediatric Refresher Course, September 9, 2002.
334. Dormans JP: Pediatric Cervical spine: Research from the Children's Hospital of Philadelphia. Scoliosis Research Society Traveling Fellows visit to The Children's Hospital of Philadelphia and The University of Pennsylvania, September 29, 2002.
335. Dormans JP: Summer LFP Meeting, Rosemont Ill. September 2002, Mentor, AAOS Leadership Fellow Program, Mentee: Steven Frick M.D. (Inaugural class)
336. Spiegel D, Flynn J, Stasikelis PJ, Dormans JP, Drummond DS, Gabriel KR and Loder RT: Curve patterns in Chiari I malformations and/or syrinx. Podium presentation at the Scoliosis Research Society, Seattle Washington, Sept.20, 2002.

337. Schwartz D, Drummond DS, Bowen JR, Sestokas AK, Fan D, Wierzbowski LR, Dormans JP, Mason DE, MacKenzie WG, Shah S and Flynn J: Spinal cord monitoring paper. Podium presentation at the Scoliosis Research Society, Seattle Washington, Sept.20, 2002.
338. Flynn J, Sodha S, Whitfield B, Adams S Sutton L, Drummond DS, Dormans JP: Predictors of curve progression in spinal deformity associated with Hydromyelia and Chiari I malformations. Podium presentation at the Scoliosis Research Society, Seattle Washington, Sept. 20, 2002.
339. Dormans JP, Glotzbecker M and Carpentieri D. "Langerhans cell histiocytosis, a primary viral infection of bone? Human Herpes type 6 virus (HHV 6) latent protein detected in lymphocytes from tissue of pediatric patients". Podium presentation, International Pediatric Orthopaedic Think Tank, Dublin Ireland, September 27, 2002.
340. Co-Chair, 2002 Surgical Skills CME Course, Surgical techniques for managing pediatric orthopaedic trauma, (#3420) Orthopaedic Learning Center, October 4-6, 2002, Surgical Skills Center, AAOS, Rosemont, Ill.
Reduction and pinning of supracondylar fractures,
Live surgical demonstration, Moderator.
Case presentations and panel discussions
Spine trauma 2002: Orthopaedic management in children
Discussion, wrap up, questions and answers
341. Visiting Professor, Ohio State University Department of Orthopaedic Surgery and Columbus Children's Hospital Grand Rounds. Lacey Visiting Professorship. October 17-18, 2002.
Cervical spine injuries in children
Musculoskeletal tumors in children
342. Sodha S, Flynn J, Whitfield B, Lou J, Drummond DS, Dormans JP: Scoliosis associated with syringomyelia and Chiari I malformations: Predictors for curve progression. Podium presentation at the American Academy of Pediatrics Annual Meeting, Orthopaedic Section, Boston, Massachusetts, October 19, 2002.
343. Erol B, Lou J and Dormans JP: "The Treatment of Pathologic Fractures of the Proximal Femur in Children: A New Classification with Corresponding Treatment Implications". Podium presentation at the American Academy of Pediatrics Annual Meeting, Orthopaedic Section, Boston, Massachusetts, October 19, 2002.
344. Erol B, Tamai J, Lou J and Dormans JP: "A new minimally invasive technique for unicameral bone cysts in children: Percutaneous intramedullary decompression, curettage and grafting". Podium presentation at the American Academy of Pediatrics Annual Meeting, Orthopaedic Section, Boston, Massachusetts, October 19, 2002.

345. Deirmengian CA, Davidson RS, Horn D, Pierz K, Drummond DS and Dormans JP: "Early excision of proximal fibular osteochondromas to prevent long-term Peroneal nerve dysfunction". Podium presentation at the American Academy of Pediatrics Annual Meeting, Orthopaedic Section, Boston, Massachusetts, October 19, 2002.
346. Leung YL, Flynn JM and Dormans JP: "A prospective study of factors associated with septic arthritis of the hip in children at initial presentation". Podium presentation at the American Academy of Pediatrics Annual Meeting, Orthopaedic Section, Boston, Massachusetts, October 19, 2002.
347. Dormans JP: International Pediatric Orthopaedic Symposium, December 3-7, 2002. Orlando, Florida.
 Lecture: "Congenital scoliosis"
 Lecture: "Benign Tumors: update 2002"
 Lecture: "Malignant Tumors: update 2002"
- Simon SL, Burnett MG, Garg S, Telfeian A, Dormans JP and Sutton LN: The efficacy of prophylactic spinal fusion in the prevention of post-surgical spinal deformity in Pediatric intramedullary spinal cord tumors. Presentation at The 2002 American Association of Neurosurgeons/CHS Section on Pediatric Neurological Surgery Annual Meeting, December 4-7, 2002, Phoenix Arizona.
348. Dormans JP, Glotzbecker M and Carpentieri D. "Langerhans cell histiocytosis, a primary viral infection of bone? Human Herpes type 6 virus (HHV 6) latent protein detected in lymphocytes from tissue of pediatric patients". Podium presentation at the American Academy of Orthopaedic Surgeons Annual Meeting, 2003, New Orleans, Louisiana, February 5-9, 2003.
349. Dormans JP et al: "MRI is an effective tool in evaluation of vascular anomalies". Poster presentation (#P215) at the American Academy of Orthopaedic Surgeons 70th Annual Meeting, New Orleans, Louisiana, February 5-9, 2003.
350. Dormans JP: Pediatric hematogenous osteomyelitis; Recent advancement in the diagnosis and practical treatment principles. Part of The American Academy of Orthopaedic Surgeons Instructional Course Lecture "Pediatric Musculoskeletal infections: Recent advancements and basic treatment principles". American Academy of Orthopaedic Surgeons Annual Meeting, 2003, Instructional Course Lecture 312, New Orleans, Louisiana, February 7, 2003.
351. Dormans JP: Pediatric C spine injury evaluation. Part of The American Academy of Orthopaedic Surgeons Instructional Course Lecture "Evaluation and management of pediatric spine trauma". American Academy of Orthopaedic Surgeons Annual Meeting, 2003, Instructional Course Lecture 232, New Orleans, Louisiana, February 6, 2003.
352. Dormans JP: Evaluation and management of back pain in children. Part of The American Academy of Orthopaedic Surgeons Instructional Course Lecture "Evaluation and management of back pain in children". American Academy of

Orthopaedic Surgeons Annual Meeting, 2003, Instructional Course Lecture 265, New Orleans, Louisiana, February 6, 2003.

353. Dormans JP: 27th Annual John C. Wilson Sr. Visiting Professor Conference, Visiting Professor, Los Angeles Children's Hospital, March 13, 2003.

Osteomyelitis in Children
Spine tumors in children
Case presentation discussions

354. Dormans JP: 2nd Annual Combined Pediatric Orthopaedic Visiting Professor Program. Combined visiting professorship for Shriners Hospital, Orthopaedic Hospital, Los Angeles and Los Angeles Children's Hospital, March 14, 2003.

The pediatric cervical spine
Musculoskeletal Sarcomas - 2003
Case presentation discussions

355. Dormans JP: 2nd Annual Jack Banta Day, Visiting Professor Conference, Visiting Professor, Connecticut (Hartford) Children's Hospital, April 29, 2003.

Pediatric cervical spine; the child is not just a small adult
Musculoskeletal tumors in children (benign and malignant)
Case presentation discussions

Dormans JP: Managing fractures through cysts/lesions. The Pediatric Orthopaedic Society of North America, Pediatric Orthopaedic Trauma, State of the Art 2003: Innovations and Controversies (Title of course), May 1, 2003, Amelia Island Florida, May 1, 2003.

Garg S, Mehta S, Patel R and Dormans: Langerhans Cell Histiocytosis of the spine in children. Podium presentation. The Pediatric Orthopaedic Society of North America, 2003 Annual Meeting Amelia Island Florida, May 2, 2003.

Flynn J, Sodha S, Adams S, Lou J, Whitfield B, Sutton L, Ecker M, Dormans and Drummond D: Predictors of progression of scoliosis after decompression of an Arnold Chiari I malformation. Podium presentation. The Pediatric Orthopaedic Society of North America, 2003 Annual Meeting Amelia Island Florida, May 4, 2003.

Ofluoglu O, Davidson R and Dormans J: The results of prophylactic bypass grafting for anterolateral bowing of the tibia In patients with neurofibromatosis. Poster presentation, The Pediatric Orthopaedic Society of North America, 2003 Annual Meeting Amelia Island Florida, May 2, 2003.

Dormans JP, Garg S, Simon S, Burnett M and Sutton L: Spinal deformity following surgical excision of intramedullary spinal cord tumors in children. Poster presentation. The Pediatric Orthopaedic Society of North America, 2003 Annual Meeting Amelia Island Florida, May 2, 2003.

Dormans JP: Visiting Professor, John Roberts Visiting Professorship, New Orleans Children's Hospital and Louisiana State University, May 2003.

Malignant musculoskeletal tumors in children: Update 2003

An approach to benign musculoskeletal tumors in children
 Pediatric cervical spine; the child is not just a small adult
 Case presentation discussions

Dormans JP: Local Host and Organizer (Philadelphia) : 2003 Pediatric Orthopaedic Society of North America 1-Day Tutorial on Musculoskeletal Tumors in Children, Philadelphia, June 20, 2003. 15 attendees from the USA came to CHOP for 1-day course.
 Malignant musculoskeletal tumors in children: Update 2003
 An approach to benign musculoskeletal tumors in children
 Common benign musculoskeletal tumors in children
 Managing fractures through cysts/lesions
 Osteomyelitis and infection simulating tumors in children
 Case presentation discussions

Dormans JP: Visiting Professor, Carolinas Medical Center Visiting Professorship, Charlotte North Carolina, July 28, 2003.
 Malignant musculoskeletal tumors in children: Update 2003
 Case presentation discussions

Dormans JP, Garg S, Simon SL, Sutton LN: Efficacy of spinal instrumentation and fusion in the prevention of post-laminectomy spinal deformity in children with intramedullary spinal cord tumors. Podium presentation (#24) at the Scoliosis Research Society, Quebec City, Quebec, Sept.12, 2003.

Dormans JP, Garg S, Mehta S and Patel R: Langerhans cell histiocytosis of the spine in children. Podium presentation (#22) at the Scoliosis Research Society, Quebec City, Quebec, Sept.12, 2003.

Garg S, Dormans JP: Aneurismal bone cysts of the spine in children. E-poster (#78) presentation at the Scoliosis Research Society, Quebec City, Quebec, Sept., 2003.

Dormans JP: The United States Bone and Joint Decade: How does this affect the Scoliosis Research Society? Presented at the Scoliosis Research Society Business Meeting, Quebec City, Quebec, Sept.12, 2003.

Dormans JP: 2003 The American Academy of Orthopaedic Surgeons Pediatric Orthopaedic Update and Review Course, Mountain Shadows Marriott Resort and Golf Club, Scottsdale Arizona, October 16-19, 2003.
 "DDH after walking age"
 "Bone tumors"
 "Femur fractures"

Dormans JP, Glotzbecker M and Carpentieri D. "Langerhans cell histiocytosis, a primary viral infection of bone? Human Herpes type 6 virus (HHV 6) latent protein detected in lymphocytes from tissue of pediatric patients". Podium presentation, International Histiocyte Meeting, Philadelphia, September 18-20, 2003.

Dormans JP: American Academy of Orthopaedic Surgeons and Orthopaedics Overseas representative/lecturer at The Association of Surgeons of East Central and South Africa

(ASEA) Instructional Course Program and The East Central & Southern African Orthopaedic Association (ECSAOA) (with James Waddell). November and December, 2003. Kampala Uganda. Nov/Dec 2003

The East Central & Southern African Orthopaedic Association (ECSAOA) Instructional Course Lectures (December 2, 2003):

- Pediatric trauma: Basic principles
- Pediatric upper extremity fractures
- Pediatric lower extremity fractures

Association of Surgeons of East Central and South Africa (ASEA) lectures (December 3, 2003):

- Pediatric musculoskeletal trauma: The general approach
- Pediatric spine injury: The general approach

Dormans JP: Malignant musculoskeletal tumors in children: Update 2004, Visiting Professor, Drexel University Orthopaedic Surgery Grand Rounds (Hahnman and MCP Hospitals), Philadelphia, Pa., February 25, 2004.

Garg S, Mehta S and Dormans JP, "Langerhans cell histiocytosis (LCH) of the spine in children". Podium presentation (paper 90) at the American Academy of Orthopaedic Surgeons Annual Meeting, 2004, San Francisco, California, March 11, 2004.

Dormans JP, Erol B, Sankar W and Lou J: "The role of intramedullary decompression in the treatment of unicameral bone cysts in children". Podium presentation (PAPER 267) at the American Academy of Orthopaedic Surgeons Annual Meeting, 2004, San Francisco, California, March 12, 2004.

Dormans JP: Pediatric hematogenous osteomyelitis; Recent advancement in the diagnosis and practical treatment principles. Part of The American Academy of Orthopaedic Surgeons Instructional Course Lecture "Pediatric Musculoskeletal infections: Recent advancements and basic treatment principles". American Academy of Orthopaedic Surgeons Annual Meeting, 2004, Instructional Course Lecture 212, San Francisco, California, March 11, 2004.

Dormans JP: Evaluation and management of back pain in children. Part of The American Academy of Orthopaedic Surgeons Instructional Course Lecture "Evaluation and management of back pain in children". American Academy of Orthopaedic Surgeons Annual Meeting, 2004, Instructional Course Lecture 313, San Francisco, California, March 10, 2004.

Dormans JP: Musculoskeletal tumors and infection. Part of The American Academy of Orthopaedic Surgeons Instructional Course Lecture "Staying out of trouble with your pediatric patients". American Academy of Orthopaedic Surgeons Annual Meeting, 2004, Instructional Course Lecture 181, San Francisco, California, March 12, 2004.

Garg S, Simon SL, Sutton LN and Dormans JP: The prevention of post-laminectomy spinal deformity in children with intramedullary spinal cord tumors. Poster presentation (No. P179) at The 2004 American Academy of Orthopaedic Surgeons

Annual Meeting, 2004, San Francisco, California, March, 2004. (AAOS best tumor-category poster of meeting award ...recognized in the Academy News, Page 16A, March 2004).

Dormans JP: The American Academy of Orthopaedic Surgeons/ Egyptian Orthopaedic Association Instructional Course Lecture Program, Cairo Egypt, Rescheduled for 2005.

Lectures:

Tumors in children and adolescents
 Pitfalls in management of children's fractures: upper limb
 Pitfalls in management of children's fractures: lower limb

Discussion group leader:

Fractures – 1st round
 Fractures – 2nd round
 Fractures and infections – 1st round
 Fractures and infections – 2nd round
 Spine – 1st round
 Spine – 2nd round

Dormans JP: 2004 POSNA papers accepted:

1. Atlanto-occipital dislocation (Hosalkar / Dormans JP / Drummond et al)
2. Odontoid fractures (JG/ Hosalkar / Drummond / Dormans JP)
3. CT/MRI for Osteoid Osteomas: (Hosalkar /SG/ Dormans JP)
 accepted for presentation at POSNA.
4. Junctional instability and extension of fusion mass associated with posterior occipitocervical arthrodesis in children selected as e-poster

Selected Hospital and University Lectures

Weekly Thursday morning lectures to orthopaedic residents and medical students covering selected topics in pediatric orthopaedic surgery.

1. Dormans, JP: Femur Fractures in Children. The General Surgery Grand Rounds, Children's Hospital of Philadelphia, September 19, 1991.
2. Dormans, JP: Musculoskeletal Tumors in Children. Orthopaedic Surgery Grand Rounds, The Hospital of The University of Pennsylvania, October 28, 1992
3. Dormans, JP: Pediatric Cervical Spine Trauma. The Children's Hospital of Philadelphia community outreach program, Newcomb Medical Center; Vineland, New Jersey, March 8, 1993.

4. Dormans, JP: Cervical Spine Trauma in Children. The General Surgery Grand Rounds, The Children's Hospital of Philadelphia, March 18, 1993.
5. Dormans, JP: Pediatric Orthopaedic Oncology. The General Surgery Grand Rounds, The Children's Hospital of Philadelphia, April 1, 1993
6. Dormans JP, Cohen D: Management of Amputation Injuries. The Children's Hospital of Philadelphia Trauma Seminar and Patient Management Conference, October 21, 1993.
7. Dormans JP: Orthopaedic Management of Malignant Tumors in Children. Surgical grand rounds, The Children's Hospital of Philadelphia, Feb. 17, 1994.
8. Dormans JP: Limb Salvage Reconstruction of Extremity Osteosarcoma in Children. Tumor Board, The Children's Hospital of Philadelphia, Feb. 17, 1994.
9. Dormans JP, Blazer P: Management of Train Injury Amputations. Trauma conference, Children's Hospital of Philadelphia, May 19, 1994.
10. Dormans JP: Orthopaedic Management of the Child With Cerebral Palsy, The Hospital of The University of Pennsylvania, Orthopaedic Surgery Grand Rounds, Feb 1, 1995.
11. Dormans, JP: Orthopaedic Issues Regarding Children with Spinal Cord Tumors. Oncology Tumor Board - "Spinal Cord Tumors", The Children's Hospital of Philadelphia, March 23, 1995.
12. Dormans JP: An Approach to the Management of Musculoskeletal Tumors in Children. Surgical Grand Rounds, The Children's Hospital of Philadelphia, March 23, 1995.
13. Dormans JP: Pediatric Cervical Spine Trauma and SCIWORA. The General Surgery Grand Rounds, The Children's Hospital of Philadelphia, October 12, 1995.
14. Dormans JP: An Approach to the Management of Musculoskeletal Tumors in Children. Surgical Grand Rounds, The Children's Hospital of Philadelphia, March 23, 1995.
15. Dormans JP: Musculoskeletal Tumors: an Orthopaedic In-training Examination (OITE) review. The residents of The University of Pennsylvania orthopaedic Residency training program, The Hospital of The University of Pennsylvania, Philadelphia, November 2 and 9, 1995.
16. Dormans JP: Pediatric spinal cord injury; The orthopaedic perspective. Presented at The Children's Hospital of Philadelphia, Trauma morbidity and mortality conference, March 7, 1996.
17. Dormans, JP: Pediatric spinal deformity. The Children's Hospital of Philadelphia community outreach program, Riddle Memorial Hospital, June 4, 1996.

18. Dormans, JP: Thoracolumbar spine anatomy, University of Pennsylvania Department of Orthopaedic Surgery anatomy course, June 19, 1996.
19. Dormans JP: An approach to the biopsy of musculoskeletal tumors in children. Surgical Grand Rounds, The Children's Hospital of Philadelphia, July 22, 1996.
20. Dormans JP: "Pediatric spine problems". As part of The Children's Hospital of Philadelphia Pediatric Review Course, October 5-8, 1996.
21. Dormans JP: Stable vs. unstable pediatric spine injury. Presented at "Pediatric Cervical spine injury: The continuum of care" a one day conference hosted by The Children's Hospital of Philadelphia and sponsored by Jerome Medical, Philadelphia, Pennsylvania, August 27, 1996.
22. Dormans JP: Musculoskeletal tumors : an update on current research and surgical techniques. Presented at The Children's Hospital Alumni Organization Reunion, The Children's Hospital of Philadelphia, October 25, 1996.
23. Dormans JP: DDH. The University of Pennsylvania Department of Orthopaedic Surgery Grand Rounds, May 21, 1997.
24. Dormans JP: "Pediatric spine problems". As part of The Children's Hospital of Philadelphia Pediatric Review Course, October 5-8, 1997.
25. Dormans JP: Pediatric musculoskeletal infection. Presented to The University of Pennsylvania Medical School class, Curriculum 2000, May 19, 1998.
26. Dormans JP: "Pediatric spine problems". As part of The Children's Hospital of Philadelphia Pediatric Review Course, October 5-8, 1998.
27. Dormans JP: "Torticollis, case presentation and discussion", As part of Grand Rounds, The University of Pennsylvania Combined Orthopaedic Surgery Grand Rounds, September 2, 1998.
28. Dormans JP: Moderator DDH", As part of Grand Rounds, The University of Pennsylvania Combined Orthopaedic Surgery Grand Rounds, January 7, 1999.
29. Dormans JP: "Tumors and limb salvage surgery", As part of Grand Rounds, The University of Pennsylvania Combined Orthopaedic Surgery Grand Rounds, June 17, 1999.
30. Wei S, Dormans JP, Bunin N: "AVN in children with acute lymphocytic leukemia. Presented at The University of Pennsylvania Research Day in preparation for The American Academy of Orthopaedic Surgeons 66th Annual Meeting, Anaheim, California, Thursday Feb. 4, 1999.
31. Dormans JP: Stanley Chung; Pediatric orthopaedic surgeon remembered, The University of Pennsylvania Combined Orthopaedic Surgery Grand Rounds and Visiting Professor, Thursday January 21, 1999.

32. Wallach D, Dormans JP: Infantile myofibromatosis, Tumor Board, The Children's Hospital of Philadelphia, Thursday January 21, 1999.
33. Dormans JP: The pediatric hip". As part of Saturday Grand Rounds, The University of Pennsylvania Combined Orthopaedic Surgery Grand Rounds, Saturday February 13, 1999.
34. Dormans JP: "Scoliosis". As part of The Children's Hospital of Philadelphia Pediatric Review Course, September 13, 1999.
35. Dormans JP: "DDH", Grand Rounds, The University of Pennsylvania Combined Orthopaedic Surgery Grand Rounds, Thursday November 11, 1999.
36. Dormans JP: Spine Disorders: The essentials for the pediatrician. Pediatric Refresher Course, The Children's Hospital of Philadelphia, Monday September 18, 2000.
37. Dormans JP: "Scoliosis". As part of The Children's Hospital of Philadelphia Pediatric Review Course, September, 2000.
38. Dormans JP: Provocateur, Department of Orthopaedic Surgery Annual Research Day Symposium, May 31, 2001. For paper "OCD in children and adolescents".
39. Dormans JP: HUP Medical School Curriculum; June 19, 2001. Compartment syndromes, Hip dislocation, Joint stability and Gait disturbance.
40. Dormans JP: "Scoliosis". As part of The Children's Hospital of Philadelphia Pediatric Review Course, 10-01-01.
41. The Musculoskeletal Research Lectureship at The Children's Hospital of Philadelphia, January 29, 2001.
The Musculoskeletal Center Project at The Children's Hospital of Philadelphia
Introduction: Fred Kaplan MD 1-29-02 (Inaugural lecturer)
42. Dormans JP: Orthopaedics 2002 Core Curriculum. First year medical student teaching at The University of Pennsylvania School of Medicine. Problem sets: Compartment syndrome, The limping child and Anatomy of gait. Tuesday May 28, 2002, Stamler Hall.
43. Dormans JP: Limb sparing surgery for pediatric osteosarcoma, Tumor Board, The Children's Hospital of Philadelphia, Thursday June 2, 2002.
